

Dear Friends of the Wadena County Fair,

Spring is around the corner which means the county fair June 21st-25th is not far behind! We are looking forward to another year of great events and a community get together. As you know our fair is where the community of Wadena County can get together and show off their talents, projects, and livestock, especially the 4-h and open class youth. The fair is also a place people can hang out hear a local band, watch a rodeo, enjoy a tractor pull and so much more. With the help of your sponsorship the Wadena County Ag society is able to put on a local county fair and other events like our enduro series and fall haunted house. It is the support of businesses that help keep our county fair and events affordable to all.

Below is the list of the sponsorship levels, though ALL donations will be gladly accepted!

Thank you for supporting the local county fair and we look forward to hearing from you.

Sincerely,

Wadena County Ag Society

Small Business Promotion

The Wadena County Fair is offering a unique opportunity to help promote your small business and partnership with the WCAS. With your a \$100.00 sponsorship and a \$20 gift certificate from your business you will be given a fair grounds garbage can. Your business will get the opportunity to design and decorate a can that includes the WCAS's 130th anniversary and your business. Each garbage can will have a number in which fair goers can then vote for their favorite design. Your \$20 gift certificate will then be used for drawing winners out of the people who voted.

The fair board recognizes that not all businesses want to be a general fair sponsor. We are giving the local businesses the opportunity to choose which events they would mainly like to be recognized at. If you check more than one box your sponsorship will be divided equally between the events you choose.
