

AutoCross Rules

Rules:

1. Any compact automobile expectable but may only run front or back must pull shafts to prove 4x4 is no longer working if the vehicle is AWD full size cars allowed but front wheel drive no suv or trucks!!!
.
2. Please remove plastic bumpers, molding, trim, head lights and Air Bags or air bag module. Can leave windshield may chain doors shut or weld don't have to but if one opens you will be DQed I don't want these to open. (You may leave side and rear glass but please tape so they don't shatter when they break) tint will work to keep glass together.
3. May use anything for a bumper. (Can't be any taller or wider than a car but Safe) No sharp points or unsafe stuff weld or bolt on well protect or front Please use something, this is to make the car last longer for more fun!!!!!!! You may cage inside or have a roll cage recommended or plate the outside to make your car hold up better but not required. Nothing unsafe!!!!!! If you have a square tube bumper it must be 8in wide or tall on ends. I don't want these bumpers poking through cars or doors to be smart and safe.
4. May use any tire please don't use anything with stud or anything unsafe this is for fun!!!!!!!!!
5. This class is for fun, laughs and a good old fashion safe time this is not a demo so do not treat it like one or I will have to add safety rules or take this away. If this gets abused at the show we have a right to disqualify you.
6. During the show if you become unable to move please do NOT over run your car (hold the throttle to the floor) this can result in a fire and for your safety please be smart about it.
7. You do not need to move the battery or gas tank but you can if you choose to do so it must be in a safe location. If interested in this event please call 218-402-0650 RILEY BETTIN
8. Have your car number located and eligible on the driver's door and passenger's door or roof sign.
9. The official has the final call. We will do their very best to make it as fair as possible but it is very difficult at times to determine a winner but Officials have the final call. Please allow us to review before you come yell at me or our crew. Thanks.
